Dear Second and Fourth Grade Teachers:

The Mesa County Safety Council is once again pleased to sponsor the **Community Safety Fair**, which will be held at the Mesa Mall. The dates for the 2012 fair are:

Thursday, February 16	9 A.M. to 3:30 P.M.
Friday, February 17	9 A.M. to 3:30 P.M.

Admission to the Safety Fair is **Free** and School District #51 schools are being provided bus transportation during school hours. This is made possible through donations by local businesses, service organizations and First Student Contract Services. **Drop off and pickup of students must be made at the southwest entrance by JC Penney's.**

We expect participation from 25-30 representatives of businesses and organizations, who will be sharing their valuable safety messages with the children and adults of our community. Excel Energy will present their "Electric Safety" program many times during the Fair. This presentation is always a big hit with the students. Other safety booths will include, water, pedestrian, bicycle, fire, construction site, personal and boating safety.

**Our time waves will be, 9:00 A.M. to 11:30 A.M. or 11:30 A.M. to 2:00 P.M.** We will fill the time slots on a first come, first serve basis. Also, please remember the mall is a big place to small children. You may need extra volunteers from your school to accompany you and help monitor your class.

If you are interested in bringing your class to the Safety Fair, please complete the attached registration form and **fax** back to (970) 245-7297. Please confirm your fax is received, as it is a busy business fax. You will be sent a return fax confirming your date and time slot within seven days. If you have not received your confirmation within seven days, please call (970) 261-7135.

The members of the Mesa County Safety Council hope you can join us for this exciting event. If you have any questions, please give me a call at (970) 261-7135.

Sincerely,

Steve Sheehy
